

Annual Community Impact Form

Project ADAM publishes a National Annual Report each year to summarize community impact across all Affiliate Programs. Each affiliate is responsible for collecting and submitting the following data annually. A designated champion or Project ADAM Program Coordinator must obtain a REDCap username and password and enter all required data by December 31. The National Annual Report is released each February.

Schools

1. Did you work with any new schools this year?
 - Yes / No
2. Total number of new schools partnered with this year:
3. Did you recognize any new Heart Safe Schools (HSS) this year?
 - Yes / No
4. Number of new HSS recognized this year:
 - Elementary schools:
 - Middle schools:
 - High schools:
 - Other school types:
5. Total number of current HSS at the end of this calendar year:
 - Note: This number should reflect schools that are currently active and have successfully completed your renewal process—not the cumulative number ever designated.*
