Heart Safe School Banners & Year Stickers

Project ADAM Affiliate Programs can present schools a Heart Safe School Banner as an incentive to showcase their work to the community. Banners are presented to schools upon completion of Project ADAM Heart Safe School Designation, which is attained by schools upon successful implementation of a quality sudden cardiac arrest program of awareness, training and effective emergency response to promote a Heart Safe environment for students, visitors and staff as outlined within the Heart Safe School Program Checklist.

As an Affiliate of Project ADAM, you can engage in a valuable partnership we have which offers competitive pricing and designing of your local Heart Safe School Banners and Heart-shaped year stickers. Mary Smith lost her 17 y/o son Tommy to SCA and started her own Foundation in Michigan called [The Thomas Smith Memorial Foundation](#). She is also the owner of a company called 'I Can Market That.'
