

Be Prepared. Be Protected. We've Got Everything You Need.

From sudden cardiac arrest to trauma response — we're your one-stop source for emergency preparedness. We proudly support Project ADAM and its mission to create Heart Safe Schools across the nation.

- Special Pricing for Affiliates: Exclusive discounts on AEDs, training equipment, and emergency response supplies tailored for Project ADAM partners.
- Streamlined Program Management with SH Connect: Our compliance management system tracks AED inspections, expiration dates, maintenance tasks, and more to keep your emergency response program organized and compliant.
- Trusted Brands & Top Equipment: Access to the leading names you know and trust — all in one place.
- Custom Emergency Kits: Emergency response bags and trauma kits designed specifically for school settings, based on your needs.
- Comprehensive Training Supplies: CPR manikins, AED trainers, and simulation tools to support high-quality, realistic training.
- Responsive Service & Fast Shipping: Dedicated support from your School Health representative with quick turnaround on orders and expert guidance.
