

Two easy ways to buy.

AED ownership made simple.

Choose between our LIFESaver™ Plan and enjoy a low annual payment with uninterrupted access to REALConnect™ services, or make a one-time purchase to own your device with one free year of REALConnect included.

1 LIFESaver™ Plan \$539/year*

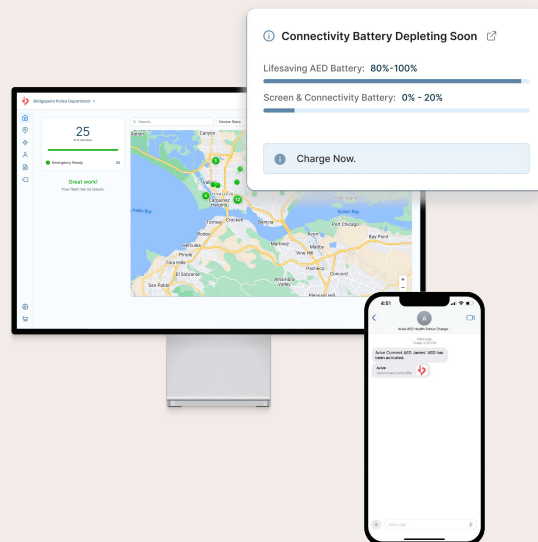

- Low annual cost, 5 year term
- Continuous REALConnect access
- Renew, return, or buy out device after 5 years

2 Buy Outright \$1,899*

- Own your Avive Connect AED®
- FREE first year of REALConnect
- REALConnect \$199 / year thereafter
- Save 25% and pay for REALConnect upfront (ask how with AED08)

Benefits of Avive's REALConnect™ software.

- Wi-Fi, cellular, and GPS technology
- Automatically notifies 911 in an emergency
- Fully remote program monitoring from one dashboard
- Daily health status updates
- Text or email notifications when device is in use or needs attention
- Remote software updates
- Rapid post-use incident data retrieval
- Electrode pad replacement included upon expiration or upon use**

*Pricing is subject to change and other restrictions may apply. Contact Avive for more details. **One Avive Pad Cartridge post-use replacement available annually per Avive Connect AED® that is actively enrolled in uninterrupted REALConnect Services. Post Use Incident Report required. Other restrictions may apply.
